** Coaches & Officials meet 10 minutes prior to each competition to review Rules, Points of Emphasis, and any other pertinent items pertaining to that day's competition.

Points of Emphasis:

1. Safety. First & foremost.
2. Pre-game conversations between coaches especially if there is a concern with mismatch player ability and/or size. Common sense wins everytime.
3. If the goal differential in Q4 of a game is less than 5, revert to Stop Time during the final 2 minutes.

Playoffs:

1. Same as last year - top (4) teams based on winning %.
2. If playing a team more than once, only the final game counts towards winning %.
3. Championship all in the same day. Final 4 in the morning, Championship in the afternoon. Top team hosts if able.

Miscellaneous:

1. HOST team coordinates game day logistics with opponents 2-3 days prior (water, ice, trainer support, directions, etc). HOST team responsible for the clock during all games.
2. If you need to change game times and/or location AFTER the information is in Arbiter, all teams involved work directly w/Patrick Joyce @ GLOA. If you send the information to the League Coordinator to do the work, it won't get done! :)
3. If you choose to play a League game(s) during the week, HOST team coordinates directly with GLOA and copies League Coordinator (Bo Bobinski @ Woodward).
4. Feel free to play games outside of AMSLL - they do not count in League Playoff calculations.
