

## 2020 GLOA Two-Man Pre-Game

### KEYS TO SUCCESS

1. Communicate with partners, table, coaches & players.
2. Practice preventative officiating; eyes are always on the players!
3. Set tone early; reassess often. Be consistent as a crew.
4. Don't ref the rules, ref the game.
5. Keep the game safe, fair and fun.

### GAME LOGISTICS

**SITE ADMINISTRATOR** Identify who has lightning detector.

**TEAMS** R has home, U has visitors, Stick/Equipment Checks. Always count both teams.

**CERTIFICATION** you may meet with both, get it done early and let teams warm up.

**CERTIFICATION** - Captains, In-Home, crew card, game time, any issues.

**INSTRUCTIONS** communicate with Head Coach, decorum, sportsmanship, time for captains.

**NEW RULES** Quick restarts, illegal Crosse penalties, GHSA Mercy Rule.

**COIN TOSS** Determine AP, review sportsmanship, field issues, line colors.

**FOGO CONFERENCE** ALWAYS meet with all FOGOS prior to game to set expectations.

**TABLE** Start/stop on whistle, 5-min. personals, stacking, release during FO, double horn.

**CHECK FIELD, GOALS, WATCH PLAYERS** Wait for warm-ups to end; stick checks on far side.

**TIMEOUTS** Bench Side has Timer, wait till teams are in huddle; watch mixed colors. Anticipate!

**HALFTIME** watch mixed colors, clear field, start clock. Check with table.

**MIMIC** Point direction and ready, stop sign, GIKI, Gained Attack Box, and Possession.

**EYE CONTACT** be aware of where your partner, is he/she ready?

**FO VIOLATIONS** make sure no players release from DRL on pre-whistle.

**PENALTIES** Relay to crew, move to open area, stand still, clean and crisp, CNOTE.

**MAN DOWN** always let keeper know where ball is before restart.

**ENDING COUNTS** make sure partner stops count, verbalize "He's in."

**BE AWARE** understand the situation; know the game you're working & how it's changing.

**HUSTLE** No walking ever.

**RESTARTS** In bounds with ball, Offense is not within 5 yards, and partner ready.

Ok for defense within 5 yards but must engage/play offense for a Delay (FDSW)

Crease restarts, attackman in front of crease may be Delay (FDSW) if he engages GK

**QUICK** but don't rush. Partner must point on deep restarts.

**WHERE** Defense may restart in box or crease (5 yards). A is always outside box.

**COMMUNICATE** let partner and players know where the ball is.

**GOALIE** has 5 seconds to re-enter crease.

**COUNTS** Signal with twirl on change of possession. Your whistle, your count.

**FOUR** Trail has visual count, starts with GK possession in crease.

**TWENTY** Trail initiates with defensive possession.

**TEN** Lead has initial count; exception: your whistle, your count.

**SUBSTITUTIONS** Watch for delayed Sub, player on field has right of way. Illegal sub signal!

**OFFSIDES** count forwards! A 1<sup>st</sup> (whistle), then B (FDSW), Lead counts, Trail counts, Both recount!

### FACEOFF

### SPECIAL SITUATIONS

**FOULS** Talk as a crew if big, important or multiple flags.

**PLAY-ON** Keep it short! Give 'em what he wants: free restart or fast break? Must keep advantage.

**DEAD BALL** Eyes on the players, find ball, set field for play, let players know what is happening.

**FDSW** out of box; ends with goal, OB, TO or if B gains possession. Foul by A kills play. Kill on 2<sup>nd</sup> foul on B. Loose Ball technical (still A/D) by B is another flag and timeserving! LB foul.

**GIKI** Communicate, create opportunity, don't penalize good defense, Even if uneven.

**OVER & BACK** Unless shot or tipped by B. Treat as play-on if A has CLEAR advantage.

**FINAL TWO MINUTES** Stalling if 4 or less. Communicate: shot or tipped by B.

**FIGHTING** Official closest controls fight, partner freezes benches

**END OF PERIOD** Shot released before horn hold whistle. Can't hit A.

**NO DIVES** If A leaves feet & lands in crease: no goal; grounded before, during and after shot.
